

Service Learning Opportunities for School Groups

Make an impact in your community!

Join us for a fun, rewarding, and educational service learning event!

Bring your class or school group to help create a **beautiful native garden** on the Richmond Greenway.

- Bring nature back to the city
- Prevent flooding
- Clean up pollution
- Create habitat for wildlife
- Earn service hours

For more information or to schedule a service learning program, please contact us:

We appreciate knowing the grade level and number of students interested in participating, suggested dates for a service day, and whether or not you can provide your own transportation to one of our project sites in Richmond.

The Watershed Project's mission is to inspire Bay Area communities to understand, appreciate, and protect our local watersheds.

If you're interested in bringing this program to your school, please contact us at: education@thewatershedproject.org
