

# EARTH DAY!

Let's Take Action to Protect The Planet!

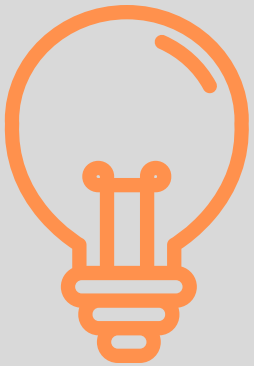

The Watershed Project invites you to take collective political action with us!

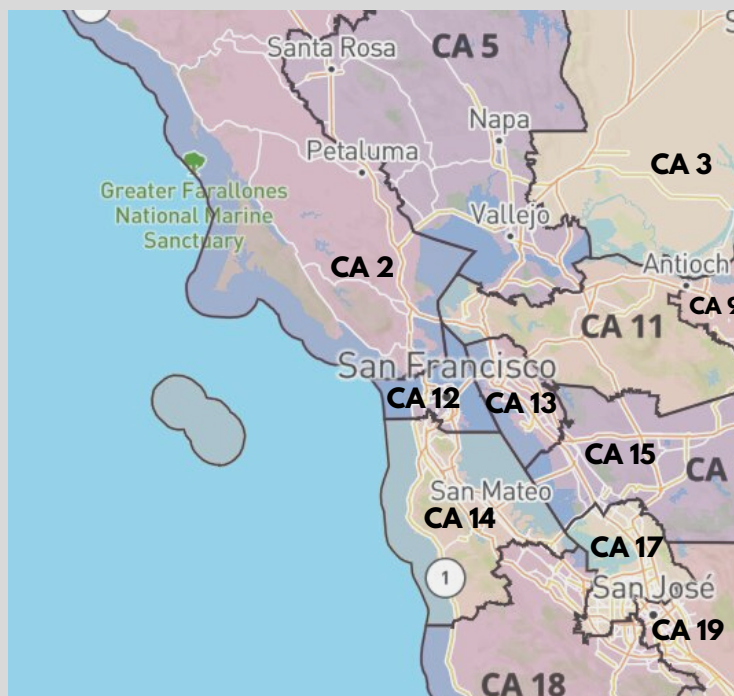

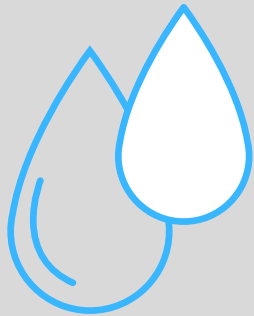

Help us to address political issues surrounding nature-based climate solutions as we seek to protect against adverse environmental impacts, support renewable energy development, keep drinking water clean, and hold companies accountable for the waste they create.

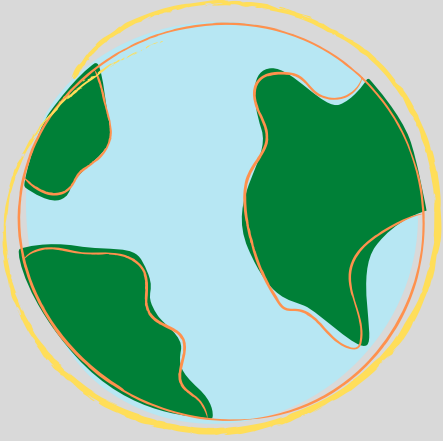

We need your help to address these issues!

1. Select an issue you care about, which may be all of four, and print or digitally edit the postcard with your personal message and signature.
2. Below you will find a map of congressional districts, find your district, be sure to address your local representatives.
3. Physically mail your postcard to your local representatives, or...
4. Email your postcard to [olivia@thewatershedproject.org](mailto:olivia@thewatershedproject.org) and we'll mail it for you.

On the Following page you will find mailing addresses for local representatives. If you have trouble identifying your local representatives please visit the following web page for help:
