

*Hold companies accountable for their TRASH!*

@Justin Hofman/ Greenpeace

**SUPPORT EXTENDED PRODUCER  
RESPONSIBILITY!**

Dear \_\_\_\_\_ ,  
(local representatives)

For too long the burden of product waste has fallen on the consumer, leading to under resourced local governments, and resulting in only 6% of all plastics in the USA being recycled. Please help us hold companies accountable for the waste they create.

Sincerely your neighbor(s),  
\_\_\_\_\_
